Permit Fee Calculation Worksheet For *Open Construction UDC Modular Homes 2009-2010

Base Permit Fee ** _____

Finished Area over 800 Square Feet _____ X _____ = _____

*** Unfinished Area(s) _____ Sq. Ft. X _____ = _____

Permit Seal _____

Total Permit Fee _____

* Open construction is where the electrical, plumbing and HVAC systems will be installed on-site as opposed to being installed in the factory.

** \$30 of the Base Permit Fee is forwarded to the Wisconsin Department of Commerce for processing the Wisconsin Uniform Building Permit Application.

*** Unfinished Areas Include: Attached Decks, Attached Garages, Unfinished Basements, Patios, Balconies, Breezeways, and Porches.

The permit fee is based on a maximum of 8 inspections being requested for homes with electrical systems, HVAC systems, and plumbing systems or any combination of these systems. Any inspection requests or mandatory re-inspections will be charged to the permit applicant at the rate of the fee schedule in effect at the time the inspection request or mandatory inspection is conducted. The fee for any inspections beyond the maximum allotted will be charged at a rate of \$91.59 per inspection. For further information regarding this policy refer to the Uniform Notice to Permit Applicants forwarded when the permit for this project was issued.

ALL INSPECTION FEES ARE DUE PRIOR TO THE INSPECTION REQUEST OR MANDATORY INSPECTION BEING CONDUCTED.
